Association _____

All awards for the association must be turned in for presentation at the CCL Spectacular. Only complete and submit this form if you did not include this information with your online registration.

Awards will not be accepted after 10/1.

Kristi Oliver and Sarah Dearmon Awards are given in remembrance of association cheerleaders who passed away while cheering for their rec team. The recipients of these awards should be decided upon by the coaches and should be given to a cheerleader that they feel represents the qualities they would like to see in a member of their team. These qualities may be sportsmanship, leadership, teamwork, etc., not necessarily cheer skills alone. One award is given per team.

Senior Awards are presented to cheerleaders in their **last year of football cheerleading eligibility**, historically termed “aging out”. It is important to recognize these athletes in their last year and to encourage them to return to their associations as volunteers.
