

# Chesterfield Cheerleader League

## Angel Fund Information

Each year CCL will use the Angel Fund to help cheerleaders who need help with purchasing uniforms, shoes, etc. The following guidelines will be used:

1. The Board of an Association must submit the name(s) of cheerleaders who are eligible for this. It is assumed that each Association will know the needs of their cheerleaders.
2. The Association must waive the participating fee for that cheerleader.
3. Each cheerleader selected will be awarded a maximum of \$100.00 to be used for uniform, shoes, etc. Receipts for this amount must be submitted to CCL for their records.
4. There is a maximum of two cheerleaders per association per year. Each qualifying cheerleader may only receive this twice.
5. Up to ten Angel Fund "scholarships" may be awarded each year. The CCL Board will determine which cheerleader(s) qualify from the applications received.

It is the sincere hope that this will not be abused. The Executive Board of the Chesterfield Cheerleader League reserves the right to discontinue this program if it is determined that abuse has taken place.
